# Confession of Faith

**I** You believe that God is the eternal and infinite God, one that he is above, who exists in the person of the Father, the Son, and the Holy Spirit, that he is the Creator, the Preserver, and the Lord of all worlds; and that he is supremely worthy of the homage and obedience.

**II** You believe that God made Man in his own image, and that constituting him the captain of his own soul, he entered into the covenant with him on the condition of perfect obedience.

**III** You believe that Adam by eating the forbidden fruit fell from the covenant, in God and subjected himself with all his posterity to sin and death, and that in consequence he has occasioned all mankind and posterity destitute of grace and children of wrath.

**IV** You believe that God in his great love was pleased to send his eternal Son Jesus Christ in taking flesh from the Virgin Mary and that when the fulness of the time was come he sent forth his Son Jesus Christ into the world, that they who believe in him might have life through his blood.

receiving forgiveness of sins and everlasting life

**V** You believe that repentance toward God and faith toward our Lord Jesus Christ, producing the fruit of holiness are indispensable requirements to justification.

**VI** You believe that, it is the special office of the Holy Spirit to make application of the benefit of redemption; and that his gifts, graces, and ordinances are means with which he works in, convincing, converting and sanctifying the elect.

**VII** You believe that it is the command of Christ to remember the Lord's Supper & keep it not; & respect the Christian Ministry, the preaching of the word, the Lord's Supper, and, in general, all that it is binding on you to observe & reverence you oughtfully to attend on, as a second ordinance, as instituted by our Father's Church.

**VIII** You believe that, all whom the Holy Spirit draws unto, by faith, through his word, and are kept by the power of God through faith unto salvation.

**IX** You believe that the Scriptures of the Old and New Testaments are the word of God and are

rule of faith and practice perfectly sufficient for  
all those in every age of the Church

X Now believe the great doctrines of Christ  
the resurrection of the dead and the final judgment:  
where we will render to God as our due being conscious  
to the Lord's love in the world, and to the saint's  
to the full possession of his kingdom, and condemn  
all the wicked to everlasting punishment.

# Covenant

In the presence of the assembly and of the holy  
God, we as such the Lord Jesus Father, Son,  
and Holy Ghost, to be your God. We covenant and  
solemnly promise, in humble reliance on his grace  
that we will walk in the way of his word, obeying all  
his commandments, and will glorify him in your hearts and  
our spirit which we lay before God and the  
Lord Jesus Christ, and the Holy Ghost, for witness  
that by receiving a witness you will be comforted and  
refreshed, the signs of Christ's kingdom, will be visible  
in his church by attending to his word and ordinances  
and by his faithful ministry will assist and cultivate to  
support the administration of the ordinances, and  
maintain in fact the discipline of his church, to  
which you also will humbly submit.

These duties you promise through grace to fulfil  
in this church, so long as God shall will, and  
as a promise of it, and to the end of your life  
we mutually pledge, God shall witness and be adorning  
at all times the glory of God our Father.

And sensible that it is a solemn thing to trans-  
act with the living God, we therefore solemnly

Gentlemen The enclosed copy of the record of your proceedings after the reading of the applications which are respectively referred have been received. Please re-

A sincere & hearty thank for the assistance & affection  
 rendered to the production of this most precious from the  
 Lord of the universe & I trust His will succeed in plans in  
 the universe which shall secure that a new generation  
 will be held to this salvation. Now however the only effort is  
 to secure & I hope will soon be secured. I would however be  
 however of the Amiable & being the only one to be mentioned  
 the plan is to give the value of the paper to the pastor or to  
 others & its sale to the pastor. I anticipate my sale of it  
 with some hesitation in mind. I have written you before with  
 regard to the Book of the Bible. In the English Church of  
 that we shall be able to give you some copies to be given  
 that will be of great interest. I was once in the Church of the Kingdom  
 of the Gospel of Christ

John Cook's Dear

A kind Respy J. H. Ladd Clerk

To the Congregational Church & Society of West Hampton  
Dear Brethren & Friends

After careful consideration  
& fervent prayer, I am constrained to tender the resign-  
ation of pastoral office. This I now do with  
unfeigned sorrow. The sole reason is the all too real  
if not feared wife which renders imperative a  
change of climate. The relation existing  
between us has been a long & happy one & has  
to me increasingly delightful. I shall never  
cease to regret in my mind the rich fruits  
with which the God of our salvation has ben-  
fitted & enriched it. I have cherished the  
hope that it might be prolonged but I trust that  
the friendships which have grown out of this  
pastoral relation may never be forgotten.

I beg you to accept my sincere thanks for your  
cordial sympathy & co-operation in my work  
and your unfailing kindness to me & mine.  
If it shall seem best to you to do so, I  
trust that you should write to me in calling  
a council to meet at a time to be hereafter  
designated to advise respecting the dissolution  
of our relation. Wishing you grace, mercy &  
peace. I am, Yours in the Gospel,

West Hampton Mass

before the Church Sunday July 23<sup>rd</sup> 1876

At a business meeting of the Church held on  
Monday June 21<sup>st</sup> 1876 Bro. Wm. J. Edward was  
Church Moderator

The following resolution offered by Bro. Green was  
passed - I voted that the Church in West Haverhill  
accept the circumstances that have led our sister  
the Rev. Joseph Lammam to send in his resignation  
- that we express sympathy with him and his  
companions and from that that may these mean  
to the full recovery of her health.

Voted that as a church we do our best to  
withstand his resignation, and although we cannot  
indemnify him his salary while he is willing, yet we  
sympathize with him in his absence within the  
time of his absence, hoping that, thus he may then be  
able to resume his pastoral labor among us, which  
so far have proved so valuable to us & as we believe  
for the best interest of this Church

Voted that the Clerk forward a copy of the above  
votes to Rev. Mr. Lammam -

that the pastoral relation now existing between Rev  
Joseph Sumner and the Church of Christ in East  
Hampton be dissolved, the action to take effect on the  
1<sup>st</sup> of October next. The following resolution was unan-  
imously adopted by the Council.

No coming  
to the conclusion we are happy to know that the pleasant  
relations have from the past existed between the  
people and their pastor that the pastoral labors  
faithfully and successfully in the fields and that his  
requital based not upon any obligational action in his  
toward them a matter of course but of his own  
own sense of duty, and for reasons which we deem

adequate and imperative -

We have with the on further from an association with  
want a a better friend, and no recommend him to  
the church, it is a selfish and worthy minister of  
the gospel. We recommend the good church  
and people of West Hampton to the Great Shepherd  
of Israel, for we think they would better watch over  
and keep them and build them up and would  
spend and devote faithful servants of the Lord  
and in doing this and feel that we know  
edge and understanding -

March 30th 1841 The following letter of resignation  
was read by the pastor from the pulpit.

To the members of the Congregational  
Church and Friends in West Union Mass  
Dear Brethren & Friends

After long and  
painful consideration I have decided to  
resign my office as pastor of this church  
for the following reasons. My health is  
very weak. My family is increasing  
and I am unable to give the time and  
attention to the church as I formerly  
did.

1<sup>st</sup> Impaired health. It is a long time past that  
I have been unable to perform the duties of my office  
with any degree of efficiency. My health is  
very weak. My family is increasing  
and I am unable to give the time and  
attention to the church as I formerly  
did. I have been unable to perform the  
duties of my office with any degree of  
efficiency. My health is very weak.  
My family is increasing and I am  
unable to give the time and attention  
to the church as I formerly did.

2<sup>d</sup> I am satisfied that the present salary of the  
pastor is too low for the services rendered.  
It is not sufficient to support a family and  
to pay for the education of the children.  
I am unable to perform the duties of my  
office with any degree of efficiency.

3<sup>d</sup> Business matters

of considerable importance concerning business  
and in state session will be only a few  
attention during most of the year.

4th I have a growing feeling of discouragement  
in regard to our prospects. I had hoped to think  
that a change in the pastoral office made for  
the ~~best~~ good of the Church.

I am now struggling  
hard to accept of our association with  
upheld the necessary Committee to unite with us  
in calling a minister. I intend to meet a special  
day and discuss the relation existing between us.

My dear friends, may we have peace and  
unity. I have feared that the great Head of the  
Church will soon have us in another battle. I  
trust we may yet have more successful than we  
have ever.

Yours truly in Christ

July 5<sup>th</sup> Edwin Prager received a letter from  
William Hill of Hingham.

The Council and Society of  
 Williamstown have been  
 letter in asking me to come and acting under Jackson  
 & accord. I have agreed to accept, on invitation,  
 and shall now let you know what I can do. 1886  
 I have all arrangements. But I am not yet in full-  
 ed state and that I cannot meet you at my  
 present relationship can be decided. I have learned  
 my office here and a Council will be called to  
 meet about Dec 15. I shall not be prepared  
 to meet and will not give myself to be the  
 Council. I have little more to say, remember that  
 the Council will feel and do that in the end it  
 is best and should make a change. You will  
 understand then that I am again often in accept-  
 ance of an invitation cannot be absolutely  
 said. It is the decision of the Council. I am with  
 some reservation that I understand & had a people  
 and that so recently had been a remarkable  
 & success of the Quaker movement. God's  
 spirit is still that I am the called to the light  
 of me. But I trust that will be proved  
 in that with me & others and the Council.  
 and the Council will be pleased to  
 repeat. Hoping and praying that the

Christianity must be fruitful for Christ's kingdom.

Yours in the Gospel

Report of the Standing Committee by the Pastor  
 for 1889

I regret that I have not realized in time the necessity for a meeting of the Committee to determine upon the topics to be treated in this report. As it is I have made it upon my personal responsibility. If what I say does

not fully where our thoughts I hope that  
it will not in any great degree misrepresent  
them - I shall speak of but few things -

Discipline - Feelings - Benevolence & Abandonment -  
- Duty - Discipline - It was a matter of common  
knowledge that the members of this Church who are  
living in a state of sin and disobedience, are  
wearing down our Church when the name of Christ  
is mentioned. Who have long attended the meetings & the  
Church - for years - this matter has not escaped the at-  
tention of your Committee and has been made the sub-  
ject of special thought and care by your "Committee on  
the Work of the Church" - I shall assume that you  
- agree - the failure of your Committee in making the  
following suggestions - (1) All such efforts against  
sin - are commended & the united and earnest prayers  
of the Church - Let us at once make request with re-  
spect to them most needed from the home & abroad,  
the world, the Church - Let us think of them as the  
common duty of all. The Spirit waits & the Holy Spirit.  
Let us draw forth the full - (2) We are the only  
true Christians or we make efforts to show  
our Christian interest in them. Let us feel the  
kindness and encouragement of Christian sym-  
pathy. Let us not feel that it is not our duty  
to be by the future of our work - (3) Let us  
communicate to your Committee any facts which

may be wished to them in their work. Let us have  
 no stone returned to them that is waving our  
 shield back but the full fellowship of Christ & his  
 Church. And put the rich blessings of Christian  
 service - I. Destines (1) Cultivate the  
 machine which have been held ready in the  
 North West School House for the past have been  
 discontinued in the winter. (In Easter would  
 have been paid, & on with the work but added  
 to the work, which was saved for strength  
 would not be equal to the task. It is good thing to  
 know that the people have arranged for millinery  
 & to hold among them before Jan. term to show  
 the high that much good will result. Let us  
 not neglect them in our houses. The pastor evening  
 meetings in other districts have likewise been  
 discontinued for a similar reason.

The monthly preaching services in the North West  
 School House are still maintained. but those at  
 Lyndale have come to a stop for lack of suitable  
 place in which to meet. The Trust funds that  
 we will not give & to our farming, check how  
 work but that some means will be provided  
 whereby all may have an opportunity to hear the  
 Gospel. At the same time we have a special  
 plan from Lyndale to our Sunday services at the  
 Church for the accommodation of those who have

no later than one A.M. & hold that such an  
arrangement can be made. (2) We direct  
the Church. The attendance at my house  
has not been under the influence of the  
the more & it is necessary to the Church  
of God. Amicus. The Church.

Our Father-Multitudes have not offered  
in some three or four years. And for this we  
are to thank it to our Father's Providence. To my  
regret, some of those who have been in the  
last year have died. - I have turned to the  
ancestors of many of the dear members of the Church  
and they have in its various meetings the effort  
has been made for a year ago to induce this  
year the dear members of the Church to  
come out side of the U. S. & C. to  
attend the meeting and will meet with  
a cordial welcome. We have done our duty to the  
great company of many people whom the Lord  
has entrusted to our care. Have we not  
not contented with things as they are? I remember  
has brought the singular attention of this Church.  
(3) Generosity. The gifts of this Church  
are very commendable. For it is to each of us  
to see whether an individual gifts have been  
commensurate with our opportunities and  
the world's needs. Some have given to the

limit of their obligation but how many of our gifts have  
 been exceeding measure & expressions of gratitude to God.  
 & all that as God has prospered them and as  
 done so. The sums annually contributed to this church  
 would surprise us all. Should we not make an  
 effort to reach a little higher standard than we have  
 as yet. It is suggested that some committee be  
 instituted & given some limit which the  
 Church may try to reach in its benevolence asking  
 of each a certain contribution of the Church how  
 much it will be responsible for and assign-  
 ing the rest to be raised by public contribution  
 in the Church. As a result in our Church work  
 it is further suggested that a set of Man-  
 -ary Plans be taken care of for use in our  
 various museum and meetings.  
 (+) - Cambridge. Under this head &  
 well have little to say. The facts speak more  
 loudly than words. In 1885 this Church was  
 reported as having a resident membership of 343.  
 It was reported as having a resident membership  
 of 210. A decrease of over 30 in six years is a startling  
 fact. What is its significance and what is the  
 reason of the loss? Can we not content to let our  
 a depletion of this or on year to year? Do we not  
 seem to hear the words of Jesus in the "Awake  
 thou that sleepest?" Signed in behalf of the Com-  
 -mittee - A. E. F. & Co. Alt. 1887

A D Montague Treas.

Jan 6<sup>th</sup> 1891 The following letter from our pastor  
was read from the pulpit

To the Cong Church + Society of Westhampton  
My Dear Friends

It is five years since I began my work among you. It is with great sadness that I now lay it down. The reason of my resignation is known to you all. My health & strength have suffered so much during the last year that I can not serve you as I ought & serve you if I continue to be your pastor.

Another work has opened before me which my friends think to be the call of God to me. I can only hope that what I do will meet his approval. I wish that I could express to you the warm attachment of my heart to this people <sup>you are my people</sup>. I will not cease to be your people. You may have other pastors. Pastors in room you will love with all your heart & who will love you with all their heart. But I shall not rob them of any due. I still claim that you are my people too. Such kindnesses as I have received at your hands bind me to you in lasting bonds. There are many reasons why I stay not but Christ you know. There are hearts here that have listened to the still inner chamber. There are hearts whose joys & sorrows I have known & in a sense have shared. There are hearts that during these years I have had some clearer vision of the unseen. Hearts that have entered upon that new life which has in it the promise of eternal years. You will remember too that many of my

last pastorate. What lies before me is all uncertain. It is a great change at my time of life to leave this work and enter upon an untrodden field. But what ever the future may bring, I can feel that here is a vast store of sweet & tender memories will be a life long possession. Though I am absent from you and engaged in other work, & then to any way in which I can <sup>still</sup> serve you it will give me great pleasure to do so. I shall be glad to receive letters from any of you especially if they contain anything in which I can give you any help. And will you not still remember me and my work in your prayers! As I now leave you it is with the hope that another pastor will soon be given you, who will do better work than ever I have been able to do, and I pray that your future may grow brighter & brighter even unto the perfect day.

Most affectionately Yours

A. E. Fidd

A quorum being present the Council listened to the reading of the records of the Church relating to their invitation to Mr. Arthur C Townsend to become their pastor and to their action in calling this Council

1891

The records of the ecclesiastical society relating to the same were also read. In view of the absence of signatures by the parish committee to the letters inviting this council a verbal statement was made by the majority of that committee to the effect that they heartily concurred with the Church in its final action which statement and records were declared by the council to be satisfactory.

In response to the request of the Council the pastor-elect read his letter of acceptance and presented a certificate of approbation as a suitable candidate for the gospel ministry given by the Association of the Western District of New Haven Co Conn. He also made a verbal statement of his membership in the First Congregationalist Church in New Haven Conn. These credentials were accepted as sufficient.

Mr Townsend then read to the Council a statement of his religious views experience and theological views - after which a statement was extended to each member to further examine the candidate. The Council voted to be by them also. Opportunities having been given to each member to express his views respecting the fitness of Mr. Townsend for the pastoral office. Approval was given by unanimous vote.

It was voted to proceed with the ordination and installation services. The Moderator reads and prescribes being constituted a committee to make arrangements therefor. The committee reported the programme of services as follows

"Westhampton July 24<sup>th</sup> 1852  
To the Cong. Church of Westhampton  
Dea. Bullock & Sisters:-

In as much as our Brother Edward A. Ellwell has by his own Acknowledgment confessed that he is not in sympathy with this Church in matters of faith - that he is not keeping his covenant vows with this Church - and does not intend so to do in the future - it becomes ~~the~~ <sup>our</sup> painful duty of our Committee to bring his case before you and ask you to take action in regard to it. We would, respectfully recommend in consideration of the fact that our Brother was a pauper & deceived as to his spiritual condition on his joining with the Church - that if you shall deem it to be in accordance with the revealed will of God and for the best interests of this Church and of our Brother you should permit his name to be stricken off from the

rolls of the Church. —

A quorum being present the counsel listened to the reading of the records of the Church relating to Rev A. C. Townsend's letter of resignation and the action taken by the Church in regard to the same.

The records of the Ecclesiastical Society relating to the same were also read.

The committee duly chosen for the purpose presented the following report as the result of the council held with the Cong. Church of Westhampton Mass. on Tuesday, Nov. 14, 1899.

As a result of the investigation and deliberation of this council, we approve the action of brother A. C. Townsend and the Church and Society of Westhampton, as to the resignation of the Pastor, and the acceptance thereof by the Church and Society. We therefore declare that the pastoral relation hitherto existing between

Rev A. C. Townsend and the Church and Society of Westhampton Mass. be, and hereby is dissolved.

In coming to this conclusion and action, we desire to express sincere sympathy with brother Townsend, whose ill health makes it necessary for him to give up

his work, and with this Church and Society who are compelled to part with a beloved Pastor.

It is our hope and prayer that brother Townsend may soon regain his health and continue in the Gospel ministry. Also that this Church and Society may find another good minister to teach and lead them in the way of Christ.

We endorse brother Townsend as an exemplary Christian, able preacher, and faithful pastor. As man, Christian, and minister, we commend him to the confidence and fellowship of the churches.
